ADMISSION BROCHURE 2020-2021

SCHOOLS & PROGRAMMES

School of Management

Dual Degree Programme BBA-MBA [with exit option after BBA]; B.Com. (Hons.); B.Sc. (Hotel Management), MBA (HRM/Finance/Marketing/Operations/Strategy); MBA (Business Analytics); and Ph.D. (Management).

School of Information and Communication Technology

B.Tech. (CSE, ECE, IT, Artificial Intelligence, Design Engineering); Five Year Integrated B.Tech.-M.Tech. (ECE/CSE) (Without permission to exit and lateral entry options); BCA; M.Tech. (CSE, ECE, Cyber Security); MCA; Ph.D. (ECE/CSE) and Advanced Diploma in Big Data Analytics.
(Lateral Entry option is available for Diploma holders and Science Graduates in B.Tech. (ECE/CSE(SF)/AI) Programme).

School of Biotechnology

Integrated (B.Tech.-M.Tech.(Biotechnology)/MBA) Programme (with no exit and without lateral entry options); M.Tech. in Biotechnology; M.Sc. in Biotechnology; M.Sc. (Molecular Medicine); M.Sc. (Genomics & Genome Engineering) and Ph.D. (Biotechnology).

School of Engineering

B.Tech. (CE, ME, EE); B.Arch; B.Des. (I.D.); Dual Degree (4+2) B.Tech.-M.Tech. (EE) (with exit option after 4 years) ; M.Tech. in Electrical Engineering; M.Tech. in Civil Engineering; Master of Urban & Regional Planning (MURP), M.Arch. and Ph.D. (ME, EE, CE and Architecture & Planning).
(Lateral Entry option is available for Diploma holders and Science Graduates in B.Tech. (CE, ME, EE) Programme).

School of Vocational Studies and Applied Sciences

B.Tech. (Food Processing and Technology); B.Sc. (Yoga); B.Sc. (Physical Sciences); B.Sc. (Hons.) Physics/ Chemistry/ Mathematics; M.Tech. (Food Processing and Technology); M.Sc. (Applied Chemistry, Applied Physics, Applied Mathematics, Environmental Science and Food Science); Ph.D. (Applied Physics, Applied Mathematics, Applied Chemistry and Environmental Science) and PG Diploma in Polyurethane Technology; PG Diploma in Environment Management (PGDEM).

School of Humanities and Social Sciences

B.A. (Hons.) in English, Political Science, Hindi, Urdu, Economics, History; Bachelor of Social Work (BSW); B.A./B.Sc. (Hons.) in Applied Psychology; B.A. in JMC; B.Ed.; M.A. (Economics, Planning and Development; English; Hindi; Urdu; Political Science and International Relations; Education; History); MA/M.Sc. (Applied Psychology); Master of Social Work (MSW); M.A. in JMC; M.Phil. (Clinical Psychology); M.Phil. (Political Science & International Relations); Ph.D. (Political Science and International Relations, English/Linguistics) and PG Diploma in English Language Teaching (ELT); Diploma in Urdu Language.

School of Buddhist Studies and Civilization

B.A. (Hons.) (Buddhist Studies & Civilization); M.A. (Buddhist Studies & Civilization); M.Phil. (Buddhist Studies & Civilization); Ph.D. (Buddhist Studies & Civilization) and Certificate Course in Pali Language and Literature; Post Graduate Diploma in Pali Language and Literature; Post Graduate Diploma in Buddhist Tourism and Heritage.

School of Law, Justice & Governance

B.A. LL.B (5-Year Integrated Programme); LL.M. (one year) and PG Diploma in Business & Economic Laws.

CONTENTS

Vision

"A globally acclaimed integrated acaademic and research institution that creates a vibrant community of intellectuals and entrepreneurs endowed with Character, Creativity, Competence and Commitment, who can inspire meaningful transformations to ensure holistic growth and development of the society"

Mission

The Mission of University is expressed though the following goals:
- To generate a community of scholars who can manage continuity and change.
- To seek and incorporate the best practices in teaching and learning from around the world.
- To inculcate in the learners due appreciation for ethical, ecological and economic issues of knowledge.
- To provide knowledge based scientific solutions to satisfy the need of society and industry.
- To ensure an academic environment that guarantees avenues for all historically excluded sections of the society.

Gautam Buddha University

(Established by UP Act (9) of 2002)

**MESSAGE FROM THE DESK
OF THE VICE CHANCELLOR**

The Admission Brochure of the Gautam Buddha University for the Session 2020-21 offers around 100 programmes to the prospective admission seekers, encompassing many new and sunrise disciplines of studies. Among these new and sunrise areas of studies, the University has included programmes in Artificial Intelligence, Business Analytics, Data Science, Railway Signaling & RAMS, Molecular Medicines, Genomics & Genome Engineering etc. The University has also started three year BCA, MCA, three year B.Com (Hons.), B.Sc. in Yoga, B.A (Hons.) in some new subjects, B.A. (Hons.) in Buddhist Studies etc. to cater the needs of students, desirous to pursue such programmes in Computer Science & Engineering, Commerce, Social Sciences and Humanities. The University also proposes to diversify the teaching -learning approaches to include several new and emerging pedagogical including transformational pedagogies, problem based learning, project based learning, simulation etc.

The University endeavours to employ, a variety interventions to enhance employability of the passing out students through several student development programmes. The overall thrust of the university is to enhance quality and innovativeness in teaching-learning and research, integrate our national ethos in teaching and endeavour to ingrain the ethics and values in the conduct and behavior of the students, passing out from this university. The university has a strong resolve to place the nation in the front rank of advanced nations, through quality education.
Prof. Bhagwati Prakash Sharma

1.0 ABOUT THE UNIVERSITY

Gautam Buddha University was established under the Uttar Pradesh Gautam Buddha University Act, 2002 (U.P. Act No. (9) of 2002), and came into existence in the year 2008. The University is recognized by UGC under section 2(f) and 12(B) of UGC Act, 1956 and is accredited by NAAC. The University envisions to integrate our National Ethos, Rich Heritage and the Ancient Wisdom with the education and research to invoke high standards of quality and innovativeness to be at par with international benchmarks. The mission of the University is to generate a community of scholars who can manage continuity and change; to seek and incorporate the best practices in teaching and learning from around the world; to inculcate in the learners due appreciation for ethical, ecological and economic issues of knowledge; to provide knowledge based scientific solutions to satisfy the needs of society and industry; to ensure an academic environment that guarantees avenues for all historically excluded sections of the society. The University is a world class centre for excellence in the field to Research and Academics.

2.0 THE CAMPUS

Gautam Buddha University has 455 acres of lush green campus with the builtup area of 8,000,000 sq.ft at Greater Noida. The fully residential campus is modelled in line with the best institutions of higher learning across the globe. The design of the Gautam Buddha University is an integration of buildings, landscape, art, sculpture, and environment. The features of infrastructure such as natural lighting, ventilation, traditional elements like lattices, sunshades and domes, allows to establish a strong link with the natural environment. All these features complement each other and give a unique identity to the campus.

The University has a world class infrastructure in terms of its buildings of Eight Schools of learning with auditorium and conference facilities, Administrative Block, Central Library, University Auditorium with 3000 seating capacity, Sports Complexes, Health Care Centre, Hostels, International Convention Centre and a well equipped Guest House. Excellent internal roads, gardens, illuminated campus, state-of-the-art IT enabled class-rooms, laboratories and other amenities, well maintained hostel buildings make the University an incredible place for study. A rich library facility with well stacked books, journals, magazines, separate reading and reference sections and modern e-resources with free-access to a large number of e-journals and e-books makes it a very significant source of learning. Mahamaya Shanti Sarovar, a beautiful water body spread over 1 lac sq. ft. area is in the midst of the Schools of the University. Entire campus is equipped with Wi-Fi facility of 1GBPS Internet Speed with 24 hours power backup.

2.1 HOSTELS

There are 12 boys' and 6 girls' hostels For single & triple occupancy which are equipped with facilities like internet, common rooms, separate T.V. and visitor's rooms, play courts of table tennis, reading rooms, first aid facility, indoor games facility, gymnasium, badminton court, volleyball court, basketball court etc. The University also provides accommodation to Married Research Scholars Hostel (MRSH) for full time Ph.D. Scholars. It consists of two-room apartments with all necessary infrastructure. All the hostels are supported by solar water heating systems which ensure supply of hot-water during winters.

2.2 CENTRAL COMPUTER CENTER (CCC)

The Central Computer Center is a central facility that caters to the computing needs of faculties, staffs and students. The facility operates 24 X 7 round the year. CCC is serving as the hub for computer related services on the campus. The computer centre is well equipped with advanced computers along with all the necessary peripherals as well as requisite softwares. The Central Computer Centre has its own power backup.

Linux/Windows desktops are provided in all class rooms of different schools labs for conducting E-learning and interactive lab sessions during classes. The CCC network backbone is on Fibre Optic, which connects the computer centre, Schools of Learning and administrative offices. The access network is structured UTP network using 10/100 Mbps switches. University has 1Gbps bandwidth for Internet connectivity from National Knowledge Network (NKN).

- CCC provides easily accessible and excellent computational facilities to the faculty and students with over 870 computers catering to their academic, research and recrea--tional requirements.

- CCC has excellent internet connectivity. The entire campus is

connected with seamless wireless connectivity using Cisco AP's which is controlled by WLC (Wireless LAN Controller) Cisco 5508. Over 180 indoor Ap's are installed to provide the connectivity to the various buildings including different schools of University.

- Web Security Gateways are installed for Malware / Spyware/ virus detection at the gateway level.

- Windows Server update services are installed for Patch Management in the entire campus

2.3 BODHISATTVA DR. BHIM RAO AMBEDKAR PUSTAKALAYA (CENTRAL LIBRARY)

Bodhisattva Dr. Bhim Rao Ambedkar Pustakalaya (Central Library) is situated at the centre of the Gautam Buddha University Campus, which symbolises the Crown of Buddha and the Eight Paths of learning in Buddhist Tradition and Practices. The library building is a structural marvel designed with inspirational inputs from the Buddhist Traditions of Learning. It is tallest building in the campus and is a mark of tribute to the Buddha. The library spread in approx. 1.78 lacs sqft. having five storeys, which support the University's mission to contribute to society through its pursuit of education, learning and research at the highest levels of excellence.

The Central Library supports the University's mission to contribute to society through its pursuit of education, learning and research at the highest levels of excellence. It is the soul of academic and research activities of the University. It has huge volumes of books and e-journals which cover the disciplines of Management, Computer Science, Engineering, Information Technology, Biotechnology, Humanities, Social Sciences, Buddhist Studies and other related areas. The library is well-equipped with modern facilities, spacious stack halls, 2000-seating capacity reading hall, reference sections, catalogue area, multiple self supporting loaning counters, and is managed by professionals. The Central Library is a fully automated with libsys and RFID systems.

Library Resources

Books (including Reference Books)	Print Magazine / Journals	Gifted Books
Meditation Centre Books on Buddhism	CD/DVD	Book Bank
E-Books	Thesis/Project Reports	Daily News Paper

E-Resources: Library subscribed various e-resources which covers various subjects in the field of Biochemistry, Genetics & Molecular Biology, Chemistry, Computer Science, Engineering, Environmental Science, Material Sciences, and Mathematics. In addition to these 1,00,000+ open access e-resources are linked with the University website to make it accessible to the users anytime anywhere.

DELNET Services: The Library is a member of DELNET. Inter Library Loan from other institution around the globe is available through DELNET.

Library Facilities and Services

The Library provides various value added services with special services to students for competitive exams.

- Current Awareness Services
- Xerox, Printout and Scanning facility
- Computer Lab for Students
- Smart ID Cards facilities for Students/Faculties/Staffs
- Internet Services through wi-fi connectivity throughout the library and GBU Campus
- OPAC (Online Public Access Catalogue): http://172.25.5.12. 8080/jopeccv06 /)

- Book Bank Services for Students
- Introduced new and updated services to the users by displaying on notice board or circular
- Property Counter with Lockers system
- Centralized generator set facility to ensure uninterrupted power supply
- Ramp and Lift Facility for differently-abled Students
- Self Check-in/ Check–out facility
- Access to Online Journals and Data base
- Inter Library loan
- Centralized Air Conditioner

2.4 EXAMINATION CELL

The University has a well established examination cell to conduct examinations, to prepare results and to maintain all the academic records of the students. All programs of the University follow Choice Based Credit System (CBCS) and students are examined on semester basis.

The University follows a 10-point grading system. The system works as:

Maximum marks: 100
Minimum passing marks: 40

Letter Grade	Marks	Grade Point
O	91–100	10
A+	81–90	9
A	71–80	8
B+	61–70	7
B	51–60	6
C	41–50	5
P	40	4
F	<40	0
Ab	Absent	0
Inc	Detained due to low attendance	0

At University, students have to complete the programs in n+2 (n+3 for SC & ST students) years, where 'n' is the duration (number of year) of a particular program. To be promoted to next academic year, student must score a minimum YCGPA of 4.0 (CGPA of two semesters of particular academic year). A minimum of 75% attendance in each course is mandatory for the student to appear in the End Semester Examination.

2.5 PLANNING & RESEARCH CELL

The office of the Dean Planning & Research looks after various Research Projects which are being sponsored by different funding agencies like Department of Biotechnology (DBT), Indian Council of Medical Research (ICMR), Council of Scientific & Industrial Research (CSIR), Department of Science & Technology (DST), Indian Council of Social Science Research (ICSSR), etc. These projects are ongoing at different stages of growth and development. They are at various Schools of the University. All of these taken to gather amount to tune of approximately Rs. 60000000 (Six crore). A number of Junior Research Fellow (JRF), Senior Research Fellow (SRF), Research Associate and Research Assistant (RA) and Principal Investigator (PI) under Women Scientist Scheme-DST are also working in different projects under the meticulous supervision and mentorship of our esteemed faculty members. We also encourage different other fellowships like Ramanujan Fellowship of Department of Science and Technology under the scheme for brilliant Indian Scientist and engineers from outside India to take up scientific research positions in India, those Indian Scientist/Engineers who want to return to India from abroad

The University has state of the art laboratories in all the Schools apart from well equipped Computer Centre. The office of the Dean Planning and Research also looks after the Research work being carried out by the Research scholars of different Schools for the award of the Ph.D degree. Apart from the above, registration for copy rights and patents are also been taken care of by this office. Four (4) copy rights and one (1) patent have been granted, and Ten (10) patents have been filed under patent law. A number of MoUs with different organizations have also been signed by the University.

2.6 NATIONAL SERVICE SCHEME (NSS)

The University started community services under the National Service Scheme (NSS) in 2015. The University currently has three Units of NSS. Each unit consists of 100 volunteers with two programme officers in each units. Various activities have been carried out under the scheme such as: Clean Campus Green Campus, Environmental Sustainability, Cloths Distribution among needy, Spread Awareness Programmes on various Social and Political issues, Plantation and Adoption of Plant, Shram Daan, visits to villages for health awareness campaigns through Nukkad Natak, Clean campus drive and swachchta pakhwada, voter awareness programmes, various welfare drives for slums etc.

Activities like Holi celebration with rural poor children, T-shirt distribution among girls living in slums, voter awareness rally, street play (nukkad natak), oath taking ceremony for free and fair voting, watering on plants and removal of unwanted plants from green area etc., help in development of a sense of social and civil responsibilities among Youth who will be the milestones of our Nation tomorrow.

2.7 NATIONAL CADET CORPS (NCC)

In its endeavour to inculcate courage, team-spirit and leadership amongst students, Gautam Buddha University encourages students to participate in extra-curricular activities under the aegis of NCC. The University enrols both boys and girl students in the senior division of NCC. Currently, the University has 2 boys (40 UP Bn NCC - Secunderabad, 37 UP Bn NCC - Ghaziabad) and 1 girl (31 UP (Girls) Bn NCC, Gr. Noida) platoon which enrols 50 students each for Senior-Division NCC training leading to 'B' and 'C' certificates.

2.8 SPORTS FACILITIES

The University promotes multi dimensional growth with emphasis on an integrated physical and intellectual learning and training. The Eklavya Sports Complex of the University is spread over approx. 47 acres with indoor and outdoor stadiums of global standard, equipped with state-of-the art sports facilities. It is the hub of sports activities in the Universities.

Sports facilities designed to showcase top level competitions are as follows:

- Indoor Stadium with Sports Facilities includes:

01 Basketball Court	06 Table-Tennis Tables
08 Badminton Courts	01 Volleyball Court

- A 10M target Air Pistol Shooting Range
- National level Cricket Stadium with 650 sitting capacity pavilion with seven Practice Pitches.
- Gymnasium at Girls Hostels, Faculty Clubs & Residential area.

- Synthetic Basketball, Volleyball and Tennis courts with flood light facility
- ITTF approved Table-Tennis Tables at Girls and Boys Hostels.
- Olympic size Swimming Pool cum Diving Pool with sitting capacity of approx. 600 spectators.
- Hockey Astro-turf stadium with Pavilion of sitting capacity approx. 650 spectators.
- Synthetic Athletic cum Soccer stadium with Pavilion of sitting capacity approx. 650 spectators (Under Construction).

University has a good number of experienced coaches for Badminton, Basketball, Football, Volleyball, Cricket, and Table Tennis games, to provide guidance and training in concerned sports event 'Shauryotsav', the annual sports festival of the University aims at motivating students to participate and add physical extensions to their intellectual quests. University organised Shauryotsav every year in which almost all students (Boys and Girls) participate in approximately 100 different sports events.

2.9 THE CULTURAL COUNCIL

The Cultural Council promotes co-curricular and cultural activities among the students through its vide varieties of events though out the year to inculcate the values of our ancient wisdom and cultural heritage. University focuses on the all round development of its students hence to strike a balance between books, syllabus and curriculum, co-curricular activities are incorporated to enhance the creative, intellectual, moral, social and cultural development of the student.

Throughout the year various cultural events are organised by different clubs of the Cultural Council where students get the opportunity to develop and exhibit their skills and non-academic abilities. University's annual cultural event 'Abhivyanjana' intends to add wings to intellect, imagery, and creativity of our students. It aims at dissolving the cultural demarcations and facilitates a new school of thought where every student thinks beyond boundaries. It also gives a platform to the budding managers, team leaders and team players, testing their own abilities against all odds. The cultural council of the university consists of following clubs:

- Adventure Club
- Natures Club
- Audio Visual Education Club: **Pradarsh**
- Debating Society: **Drishtikon**
- Literary Club: **Arhant**
- Photography Club: **Pratibimb**
- Techno-Cultural Club
- Art Club
- Creativity Club
- Dance Club: **Jhanak/Jhankaar**
- Dramatics Club: **Dishyan**
- Music Club: **Swaranjali**
- Social Service Club
- Painting Club: **Chitrakala**

2.10 MAHATMA JYOTIBA PHULE DHYAN KENDRA (MEDITATION CENTRE)

Mahatama Jyotiba Phule Dhyan Kendra, popularly known as the Meditation Centre is designed to visually tie the earth with the sky when viewed in the horizon. It is inspired by the Stupa architecture (a symbolism of Buddhist Stupa), is a learning and retreat centre which gives an experience of the power of peace and inner silence to the students of the University besides their regular curriculum. The centre aims to create a community around the pursuit of living a more mindful, reflective and skillful life. It focuses to develop the meditation skills of its members and foster discussion of matters of practical importance. Personality trait and mindfulness are associated in a way to understand ourselves and those around us and consequentially be able to demonstrate skills to respond to the society peacefully. These skills could be, for example, working with others, solving problems, decision making adapting to change etc.

The centre organizes seminars, lectures and experiential workshops on Buddhist meditation, positive values, stress free living and self management. It aims to help the residents of the campus, in recognizing their own inherent qualities and recollect their inner most potential. The meditation centre facilitates the experience of the inner self through silence. The purpose of meditation is the cultivation of positive states of mind, conducive to peace and well-being, and it helps overcome negative habits of minds. The course is a chance for the students to centre themselves with a calm mind and develop clarity of perception, a sense of healing and the ability to connect to an inner source of energy.

2.11 HEALTH CARE CENTRE

The multifarious medical needs of the Campus residents including students, faculty, staff members and their dependents are met by the University Dispensary. The Dispensary is headed by an HoD (Dispensary) with a team of full time and visiting Medical professionals. Patients registered at the reception are served on first come first serve basis, however out of turn consultation is provided in case of emergency and for senior citizens. In OPD, clinical consultation is provided to the patients which also includes taking patients clinical history, clinical examination, diagnosis, henceforth diagnosis and prescription are provided to patients and laboratory test suggested, if required. OPD facility has a waiting hall with chairs, public utilities like drinking water and toilets. Sub waiting areas are available in front of individual consultation rooms. Wheel Chairs and attendants are there to help sick patients. Other facilities include Ward/Indoor facility, Minor OT, Physiotherapy,

Laboratory services, ECG services, Pharmacy, 24X7 Ambulance services.

Health Care Events:

- Annually organizing free health check-up camp, yoga camp etc. for University students/residents by Dispensary in collaboration with leading hospitals of Delhi/NCR.
- Annually organizing voluntary blood donation camp by dispensary in association with Red Cross society and leading blood banks.
- Providing Health education for visiting patients in Dispensary by medical professionals.

2.12 STUDENTS SUPPORT AND PROGRESSION

Each school of the University has an efficient and competent system for student support and mentoring to provide academic, career and psychological counseling to the students. Students are supported through mentoring in academic, sports and cultural activities. They are guided to develop their personality and soft-skills. They are counseled to develop professional competitiveness as well as ethics, human values, sense of social responsibility and environmental consciousness. Students are encouraged to participate in activities for social and community services. The University is very sensitive to the issues of gender equality and has 'Gender-Sensitive Policy'. Students are encouraged to maintain gender-discrimination free environment. Street plays/Skits related to such issues are enacted in the campus on various occasions by the students of various cultural groups. Debates/Talks are organized for encouraging students to make campus a safe place for every student irrespective of gender and culture. The University also has a zero tolerance policy for issues related to sexual harassment.

2.13 FACILITIES FOR DIFFERENTLY-ABLED PERSONS

With special consideration for differently-abled persons, the University has provision of 3% reservation in the admissions as per UP State reservation policy. For 'Barrier Free Access' the University has constructed ramps at all Schools/Departments, administrative building, central library, hostels and shopping complex. There is a facility of lifts in all the Schools, administrative building, and central library with separate wash room facility in all the School buildings.

2.14 TRANSPORT FACILITY

GBU is a residential campus for students, faculty and staff. There is availability of University bus service to provide need based transport facility for educational tours, seminars and conferences etc. The roads layout plan in entire campus is in circulation system which keeps the complete vehicular movement restricted to the periphery of the campus allowing for a completely pedestrian-friendly environment. Separate tracks for cycles have been provided to move safely from one place to the other.

2.15 OTHER AMENITIES

- A shopping complex comprising of 21 shops which houses eatable, grocery, drycleaner, stationery shops etc.
- A branch of Punjab National Bank
- 2 ATMs of IDBI & Punjab National Bank
- A Mother Dairy Booth
- Cafeterias operational in different School buildings

2.16 PLACEMENTS AND EMPLOYABILITY ENHANCEMENT: The Core Strength of University

University relentlessly Works for Placement and employability enhancement of students under the aegis of Corporate Relations Cell (CRC).

CRC of Gautam Buddha University is dedicated in advising and counseling students\regarding career options. The Cell functions throughout the year towards generating placement and training opportunities for the students. It acts as an interface between the students, faculty and the corporate world. The Cell provides the 100% placement assistance to all the students. It works in the direction of finding best opportunities like summer training internships, live projects, national and international events and employment vacancies for students. Counseling on one-to-one basis, arranging seminars and group sessions concerning career choices, infusing interview skills and group discussion skills in the students, and preparing resumes and helping in drafting job applications are a few of the many tasks undertaken by CRC.

Industry Interface: In its endeavour to maintain a vibrant & proactive academic industry-interface, the cell invites reputed experts from various industries to interact with the students. Workshops and seminars are organized to enables the students to acquire Industrial temperament and makes them understand requirements of the jobs profiles. Apart from this the Corporate Relations Cell infuses the spirit of Entrepreneurship through its Incubation Center with beneficial tie-ups with angel investors.

Training & Placements: The Cell has a focused mandate to progressively enhance the synergies between the University & Industry. The cell provides assistance to the students for summer training projects aligned in with the curriculum and the industry In order to prepare students for the final placements an important role is that of training and grooming. Hence trainings are conducted on Technical skills, Personality Development to Examination Preparation.

Few students rather than sitting for placements, opt for further studies and alternate career choices. CRC helps them pursue the same by providing trainings and materials for taking up such examinations of national importance like UPSC, GATE, CAT etc.

GBU Conducted the Mega Open Campus Placement Drive along with Ministry of Labour and Employment (GoI) and FICCI on 15th & 16 April 2019 where 2000 Vacancies were on offer 65+ Employers attended the drive and 1500 students appeared as Job Seekers.

2.17 INTERNATIONAL STUDENTS (From 15⁺ Countries)

International Affairs Cell* at Gautam Buddha University offers a very cordial welcome to the International students wishing to join different programmes of the University for higher studies. We are a nation whose core ethos recognizes divinity in each and every guest, who lands in India. To enforce it properly, the University has created a separate entity to look after the matter related to admissions of International Students in terms of procedure, process, admission, and related administration. The International Affairs Office advises students on the matters related to application, admission, fees, arrival services and orientation. It also offers an ongoing support and after arrival advice.

The International Students' Office is responsible to provide all necessary help to International students regarding:

- How to choose course of study
- How to fill in the application form for admission
- Course information
- Whether your academic qualifications are suitable/ fulfilling the eligibility criteria
- English Remedial Programme
- Orientation
- Visa formalities
- Accommodation/Hostels
- Fees and any other issues

The Centre coordinates with ICCR, Ministry of External Affairs, different embassies and consulates for various purposes including the scholarships on behalf of the students. The University model for Internationalization of Higher Education has the following unique features:

- Single Window
- Networking
- Interfacing
- Wireless connectivity
- Interaction
- Multi / Interdisciplinary
- Competitive and Affordable

The University has a large number of International students for not only Undergraduate and Post Graduate courses, but also for Research Programs viz. M. Phil. and Ph.D. programs. In the age of globalization, the University has set out to make its presence felt globally through internationalization of its programmes and opening new avenues of association for international student community. The International Students registered in this University since its inception, belong to following countries:

- Vietnam
- South Korea
- China
- Myanmar
- Mongolia
- Cambodia
- Thailand
- Yemen
- Nepal
- Lao PDR
- Afghanistan
- USA
- Canada
- Suriname
- Bangladesh

3.0 ABOUT THE SCHOOLS OF LEARNING

- School of Management
- School of Information and Communication Technology
- School of Biotechnology
- School of Engineering
- School of Vocational Studies and Applied Sciences
- School of Humanities and Social Sciences
- School of Buddhist Studies and Civilization
- School of Law, Justice & Governance

Each School of Studies in the University combines a multilateral confluence of academic training, research, innovation and creativity. These Schools are embodiments of the University's ever growing quest for excellence in higher education and research. All the Schools encompass modern fields of studies, high-end technological exposure and a meaningful dissemination of knowledge coupled with practicing wisdom. The uniqueness of the University is acknowledged through the format, content and pedagogy of its programmes and their relevance to the society.

The Schools of Studies have been established with the objective to disseminate knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to make special provisions for various courses in Management, Engineering, Biotechnology and Information & Communication Technology (ICT) in its educational programmes; to take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research; to educate and train the manpower for the development of the country and to establish linkages with industries for the promotion of science and technology; and to pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

The academic programmes offered by the University are recognized by UGC and by various regulatory bodies / statutory Councils, whichever are applicable in individual cases, viz.

Recognized by University Grants Commission of India (UGC): GBU is recognized by UGC vide ref. no. F.9-18/2009 (CRP-I) dated 13th May 2009 and F.No. 9-18/2009 (CPP-I/PU) dated 17th Feb., 2018 under section 2(f) & 12(B) of UGC Act 1956.

Association of Indian Universities Membership: GBU is member of AIU vide ref. no.Meet/84-AM/2009/ 289139-73.

Bar Council of India (BCI): The School of Law, Justice & Governance (SoLJ&G) offers a five years Inte--grated BA. LL.B. programme accredited by Bar Council of India (BCI).

Rehabilitation Council of India (RCI): The Department of Psychology & Mental Health in School of Humanities & Social Sciences offers programme accredited by Rehabilitation Council of India (RCI).

Council of Architecture (CoA), India: The Depart--ment of Architecture & Planning in School of Engineering offers Five-Year Degree Programme (B. Arch.) in Architecture accredited by the Council of Architecture (CoA), India.

National Council for Teacher Education, India (NCTE): The Department of Education & Training in School of Humanities & Social Sciences offers Two-Year B.Ed. Programme accredited by NCTE.

National Assessment and Accreditation Council (NAAC): University NAAC accredited with B+ Grade.

Teaching Pedagogy

The traditional form of teaching in a University often involves lectures being given to large groups of students, accompanied by tutorials and workshops, with some independent study. However, there are several other modes of delivery that can also be very effective such as the flipped classroom and problem based learning. The teaching pedagogy implemented at the University is designed to give an overview of various methods of teaching and learning process for the better understanding of the students which are:

1. Conventional Lecture-mode, however, the University promotes small group teaching to make lectures productive and engaging.
2. Demos in practical classes for effective engagements of students.
3. Flipped classroom approach by asking learners to watch video content before the class session, and devote in-class time to exercises, projects and discussions.
4. Active learning to explore teaching and learning methods that put the student in charge of their own learning to work together to support each other's learning.
5. Blended learning where traditional classroom teaching combined with online learning and independent study.

Emerging as Centre of Excellence

The University, through its various academic activities and innovative pedagogies, is emerging as a centre of excellence. Our growing number of research projects, publications and meaningful interventions are testimony of our claim. It has been gaining steady progress in attracting talent pool from both national and international community. Our untiring efforts to engage industry and incorporate required skill sets in our curriculum have started yielding results in developing various incubators and development centers in major sunrise sectors. There are a few core areas that the University places major thrust on, such as:

1. University is emerging as a base for researching, experimenting, testing and delivering.
2. Launching programmes in AI, Data Science, Block Chain, etc. allows us to take the first step towards integrating these technologies by building applications that can be used in businesses or end users for the larger benefit of the society.
3. AI applications driven business objectives, build strong capabilities in other emerging technologies and deploy these applications.

University is focussing on research on various areas such as social sciences, human resource development, biosciences, energy and environment, physical sciences, Buddhist studies and its application in present world scenario, etc. with the aim of high-quality publications in journals and filling of patents of inventions. The University places major thrust on the application of computational biology, systems biology, structural biology and bioinformatics, molecular design, molecular modelling, structural pharmacology, and computational immunology. In addition, the University also focuses on genomics, Molecular Science, etc.

3.1 SCHOOL OF MANAGEMENT (SoM)

[Dual Degree BBA-MBA; B.Com. (Hons.); B.Sc. (Hotel Mgmt.); MBA; MBA (Business Analytics) and Ph.D.]

The School has leveraged the flexibility in the curriculum design to mould it according to the fast changing regional and global. It has been offering some unique courses under various programmes, which has been quite popular among students and industry. The Five Year Dual Degree Programme BBA-MBA [with exit option after BBA] makes possible to cater pool of electives in the areas of Finance, Marketing, HR etc. along with multiple summer training opportunities with foreign language during the programme. The School has state of the art classrooms equipped with computing and multimedia facilities and supported by an extensive library which includes books,

journals, films & databases. The curriculum of all its academic activities has international and cross cultural focus. The School offers Two Year MBA Programme with specialization in HRM, Marketing, Finance, Operations, Information Technology and Strategy etc. Further, SoM promotes diversity in MBA Programme by inducting students in the same from across various Schools of the University, thus encouraging multi disciplinary learning.

LABORATORIES: Computer Labs, Professional, Development Lab & Communication Lab.

PROGRAMMES OFFERED AT SoM					
Programmes'		**Eligibility Criteria**	**No. of Seats & Duration**	**Mode of Selection/ Date & Time**	**Subjects - [Percentage Weightage]**
Code	**Name**				
UG					
UM01	**Dual Degree BBA-MBA** [with exit option after BBA]	10+2 in any stream securing minimum 50% marks (45% for SC/ST) or equivalent grade.	60 Seats 5 Years (10-Semester)	GBU-ET on 17th May, 2020 [01:00 - 03:00 PM]	Reasoning & Aptitude - [30] Mathematical Ability & Data Interpretation - [30] English Proficiency - [20] General Awareness - [20]
UM02	**B.Com (Hons.)**	10+2 in any stream securing minimum 50% marks in aggregate (45% for SC/ST category) or equivalent grade.	60 Seats 3 Years (6-Semester)	Direct admission based on merit in qualifying examination	
UM03	**B.Sc.** (Hotel Management)		40 Seats 3 Years (6-Semester)		
PG					
PM01	**MBA** (Specialization: HRM/Finance/Marketing/ Operations (to be offered based on minimum no. of students opting)	Graduation in any discipline from a recognized University /College securing minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade.	60 Seats 2 Years (4-Semester)	GBU-ET on 17th May, 2020 [01:00 - 03:00 PM]	Reasoning & Aptitude - [30] Mathematical ability & Data Interpretation - [30] English Proficiency - [20] General Awareness - [20]
PM02	**MBA** (Business Analytics)		30 Seats 2 Years (4-Semester)		
Doctoral					
RM01	**Ph.D.** (Management)	Master's Degree in Management or relevant discipline with minimum 55% aggregate marks (50% in case of SC/ST/OBC (noncreamylayer)/ Differentlyabled) or its equivalent grade.	Finance and Economics/ Strategy– 11- (FT & WP) HRM- 04- (FT & WP) Marketing- 03- (FT & WP) Operations- 03- (FT & WP)	GBU-ET on 17th May, 2020 [04:00- 06:00 PM]	Research Methodology - [50] Subject Awareness - [50]
ADMISSION THROUGH VALID TEST SCORES					
PM01	**MBA** (HRM/Finance/ Marketing / Operations)	Same As Above	Valid CAT/MAT/GMAT/CMAT/XAT Score, as applicable		
PM02	**MBA** (Business Analytics)				

3.2 SCHOOL OF INFORMATION AND COMMUNICATION TECHNOLOGY (SoICT)

[B.Tech.; 5 year Int. B.Tech.-M.Tech.; BCA; M.Tech.; MCA; Ph.D.; Advanced Diploma in Big Data Analytics and Lateral Entry in B.Tech.]

School of Information and Communication Technology (SoICT) was established in 2009. It has two departments; Computer Science and Engineering & Electronics and Communication Engineering. The school of ICT has the history of producing skilled doctorate, postgraduate and undergraduate professionals in the emerging areas of Information and Communication Technology (ICT).

The School of Information and Communication Technology (SoICT) has been progressing towards excellence in the field of technical education and research. The School aims to produce competent professionals having strong sense of social responsibilities and to become a hub of research and development activities of national and international recognition. The academic programmes are designed in line with the best Universities around the world. The School combines the best

practices of pedagogy and class room teaching, complemented by practical training and experiential learning.

LABORATORIES: The School combines the best practices of pedagogy and class room teaching, complemented by Computer Lab-1, Computer Lab-2 , Computer Lab-3 (Windows Operating Systems), Computer Vision Lab Basic Electronics Laboratory, Electronic Circuits Lab, Logic Design Lab, Artificial Intelligence & Robotics Lab, Wireless Technologies Lab, Optical Communication Lab, Analog Communication Lab, VLSI Design Lab, DSP Lab, Microprocessor and interfacing Lab, Microwave & Antenna Lab, Electronics Workshop, Computer Networking Lab, Expert System Lab, Multimedia Technology Lab, Parallel Processing Lab, Advance Digital Communication Lab, Research and Projects Lab, Open Source Software Lab, Embedded System Lab, Image Processing Lab and training and experiential learning.

PROGRAMMES OFFERED AT SoICT					
Programmes'		**Eligibility Criteria**	**No. of Seats & Duration**	**Mode of Selection/ Date & Time**	**Subjects - [Percentage Weightage]**
Code	**Name**

Note: # Subject awareness in EC is only for candidates having BE/B. Tech in Electronics/ ECE/M. Sc. (Electronics) ## Subject awareness in CS is only for candidates having BE/B. Tech in CS/CSE/IT/MCA/M.Sc. (Computer Science/ Computer Technology/ Information Technology)

3.3 SCHOOL OF BIOTECHNOLOGY(SoBT)

[Int. B.Tech.-M.Tech./MBA (Biotechnology); M.Tech.; M.Sc. and Ph.D.]

The objective of the School of Biotechnology (SoBT) is to generate high quality professionals and researchers by offering various academic programmes in Biotechnology and to develop a premier biotechnology teaching and research department catering the needs and challenges of the region and the country. The School's vision is to provide quality teaching with a strong core science concepts and an application oriented undergraduate and post-graduate education along with solid foundation in the rapidly expanding fields of biotechnology that enable them to produce high quality professionals. Our goal is to provide students with a sound knowledge and understanding of current theories, concepts and laboratory practices in Biotechnology, such as molecular biology, biochemistry, microbiology, immunology, genetics and cell biology, which are in turn linked to practical disciplines like chemical engineering, physics, and information technology. The School is dedicated to provide quality service through teamwork, partnerships and developing research spirit for the professional strength of community and individual. The School has a young, enthusiastic and well qualified faculty actively involved in teaching and research.

The teachers are available to the students for academic as well as personal counselling. The School has been encouraging the students to independently think as well as implement research ideas. The School is an active centre of basic and applied research. The faculty members of the School can clearly be distinguished in terms of proven academic engagement, diverse backgrounds, and sponsored research projects from National and International funding agencies. The School of Biotechnology has organized a number of Seminars, Conferences, Workshops and Awareness Programmes through regular lectures by the Expert Faculty and the eminent Guest Lecturers. The department is well equipped with all the necessary instruments and number of research facilities.

LABORATORIES: Apart from basic laboratories the School has state-of-the-art research facilities and laboratories including advanced Plant and Animal Tissue Culture Lab, Molecular Biology Lab, Microbiology Lab, Bioprocess and Fermentation Lab, Genomics & Proteomics lab, Environmental Biotechnology Lab, Advanced Central Instrumentation Facility and Bioinformatics Lab for postgraduate/doctoral students.

Doctoral					
RB01	**Ph.D.** (Biotechnology) (Specialization: Animal Biotechnology, Plant Bio-technology, Molecular Microbiology, Computational Biology, Biochemistry & Biophysics, Fermentation and Downstream Processing /Environmental Biotechnology)	Master's Degree in any discipline of Life Science/ Allied Sciences with minimum 55% aggregate marks (50% in case of SC/ ST/OBC (non-creamy layer) /Differently-abled) or its equivalent grade in Master's degree obtained from any of the Universities/ institutions established and /or approved by law.	27 Seats (FT & WP)	GBU-ET on 17th May,2020 [04:00- 06:00 PM]	Research Methodology - [50] Subject Awareness - [50]

Programmes'		Eligibility Criteria	No. of Seats & Duration	Mode of Selection/ Date & Time	Subjects - [Percentage Weightage]
Code	Name				
ADMISSION THROUGH VALID TEST SCORES					
PB01	**M.Tech.**	Same As Above	Valid GATE Score, as applicable		

• In case of Ph.D. in Biotechnology, preference will be given to the candidates having research fellowship.

3. 4 SCHOOL OF ENGINEERING (SoE)

[B.Tech.; B.Arch; B.Des.; Dual Degree B.Tech.-M.Tech.; M.Tech.; MURP; M.Arch.; Ph.D. and Lateral Entry in B.Tech.]

The School of Engineering (SoE) has earned recognition for its commitment to excellence from its inception. The School is enriched by Civil Engineering, Electrical Engineering, Mechanical Engineering and Architecture & Regional Planning departments. The School has experienced faculty helping the students to develop technical expertise but also guiding them for various event and workshops that require self-commitment, problem-solving skills, field trips and internships. The School has upheld commitment to the liberal skills and aptitudes in all their breadth and depth to encourage students to expand their talents and skills not only in technical education but also in career enhancement and personality building too. The School also offers numerous leadership opportunities with various technical and professional augmentation establishments viz. the SAE-GBU Collegiate club, GBU-IEEE Student Chapter, CEAS-GBU. A strong technical core forms the foundation for a wealth of Bachelor, Master and Doctoral degree programs offered through SoE.

LABORATORIES:

Civil Engineering: Material Testing Lab, Concrete Lab, CAD Lab, Structural Analysis-I, Transportation Lab, Soil, Mechanics Lab, Environmental Engineering Lab, Advanced Environmental Engineering Lab, Surveying Lab, Engineering Graphics Lab, Building Design & Drawing Lab, Design Lab, Remote Sensing & GIS Lab, Hydraulics Lab.

Electrical Engineering: Electrical Technology Lab, Electrical Machine Lab, Simulation Lab (Python and MATLAB/Simulink), Power System Lab, Switchgear and Protection Lab, Measurement and Instrumentation Lab, Network Lab, Power Electronics Lab, Electric Drives Lab, Control System Lab, Bio-medical and Virtual Instrumentation Lab, Digital and Non-Linear Control Lab, Distribution Network Lab, Power System Simulation Lab, Advance Electric Drives Lab, Power Converter and Simulation Lab, Advance Instrumentation and Control lab.

Mechanical Engineering: Engineering Workshop, Fluid Mechanics Lab, Fluid Machines Lab, Automobile Lab, Dynamics of Machine Lab, Manufacturing Lab, Refrigeration and Air conditioning Lab, Vibration Lab, Advance Thermal IC Engine Lab. Upcoming Labs: Meteorology and instrumentation Lab, Advanced Manufacturing Lab – I & II.

Architecture & Planning: Model Making Lab, Building Material Lab, Eco-Design Lab, Auto Cad Lab, Construction yard, Art Court, Climatology Lab, Photography Lab, Labs shared with Civil – Survey lab, GIS & Remote sensing Lab.

3.5 SCHOOL OF VOCATIONAL STUDIES AND APPLIED SCIENCES (SoVSAS)
[B.Tech.; B.Sc.(Phy. Science) ; B.Sc. (Hons.); B.Sc. in Yoga; M.Tech.; M.Sc.; Ph.D. and PG Diploma]

The School of Vocational Studies and Applied Sciences (SoVSAS) comprises of primary disciplines of Chemistry, Mathematics and Physics along with two interdisciplinary subjects, viz., Environmental Science and Food Processing & Technology. All academic programmes of the School lay emphasis on the integration of the existing theoretical knowledge with practical applications. Through its academic and research staff, the School possesses a huge depth and breadth of scientific & technological knowledge. The School offers core courses in Physical, Chemical and Mathematical Sciences to undergraduate students of all branches of Engineering, Biotechnology and Information & Communication Technology. The Course "Environmental Studies" is offered to all Undergraduate students of all streams of education as "Ability Enhancement Compulsory Course". The School has been successfully running doctoral/ postgraduate programmes in Applied Chemistry, Applied Mathematics, Applied Physics, Food Processing & Technology, Food Science and Environmental Science since 2011/2012. The School has started its undergraduate programme, B.Sc. in Physical Sciences from the academic session 2016-17 and B.Sc. (Hons) in Physic, Chemistry and Mathematics from academic

session 2019-20. These programmes of the School support specialized interdisciplinary fields of teaching, research and industry engagement in polymer chemistry, green chemistry, pharmaceutical chemistry, environmental science, food technology, photonics & optoelectronics, semiconductor optoelectronics devices, plasmonics, thin films, nanotechnology, computational fluid dynamics, operations research, ordinary differential equations; cryptography, number theory and mathematical problems in extreme weather events. The School has been very active in conducting workshops and organizing national and international conferences and seminars, and has a very good research profile.

LABORATORIES:
Apart from basic laboratories for undergraduate Engineering and Science students, the School has advanced practical and computational laboratories in various disciplines for postgraduate /doctoral students. These are Applied Chemistry Labs, Applied Physics Labs, Applied Mathematics Computer Labs, Environmental Science Labs and Food Processing & Technology Labs.

3.6 SCHOOL OF HUMANITIES AND SOCIAL SCIENCES (SOHSS)
[B.A. (Hons.); BSW; B.A./B.Sc. (Hons.); B.A.; B.Ed.; M.A.; MA/M.Sc.;MSW; M.Phil.; Ph.D. and Diploma]

The School of Humanities and Social Sciences (SoHSS) is interdisciplinary in approach. It plays the pivotal role of exposing the students to an environment that is conducive to develop understanding of contemporary social issues through inter-relationship of science, technology and management. The School has a unique and distinctive role of hosting creative educational programmes that focus on creating holistic understanding of complexities of life in social context with emphasis on Indian cultural values. The School is committed to provide an interdisciplinary and integrative pedagogical interface to learners so as to nurture them into competent human beings. The academic programmes, designed in line with the best Universities around the world, combine the best practices of pedagogy and class room teaching, complemented by practical training and experiential learning. The School encourages research and focuses on providing its students with an atmosphere for rigorous academic and intellectual development. For the fulfilment of its teaching and research goals, the School has competent faculty members who keep pace with the current developments in their field of specialization. The School is equipped with the avant-garde facilities for the students and supported by state-of-the-art central library with large collections of books, journals, audio-visual aids and other learning materials.

LABORATORIES:
- **Clinical Psychology Laboratory & OPD Services:** Mental Health Clinic, Child and Adolescent Clinic, Neuro-psychological Clinic, Mental Retardation and Development Pathology Clinic, De-addiction Clinic and Psychosexual Clinic, on specific week -days.
- **Social Work Lab:** Social Work Practice Learning Laboratory.
- Psychology Lab, Social Science Lab, ICT Lab, Curriculum Lab.

3.7 SCHOOL OF BUDDHIST STUDIES AND CIVILIZATION (SoBSC)
[B.A. (Hons.); M.A.; M.Phil.; Ph.D.; Certificate Course; PG Diploma]

The School of Buddhist Studies and Civilization (SoBSC) has been set up with a vision to produce the erudite scholars and distinguished researchers in the field of Buddhist Studies in order to develop and cater their knowledge to serve the humanity. The School adopts interdisciplinary and multidimensional approaches with the help of other sciences and social sciences like Archaeology, History, and Philosophy etc. for producing scientific researches. The School is well supported by talented and innovative faculty members, who are striving hard to establish the School as an institution of repute with their pioneer researches, conference participations, and academic endeavours and able to encourage scientific inquiry and inquisitiveness among the students as well as academicians. Our vision is to establish the School of Buddhist Studies and Civilization, Gautam Buddha University as a major research Centre of the world. Keeping pace with the disciplinary advances, the programme would address learning about ethical, psychological, historical, philosophical, economic, transnational, trans-cultural, and linguistic expertise at individual, social, national, and international level. It would facilitate acquisition of specialized knowledge in Buddhist History, Philosophy, and Literature existing in Pali, Sanskrit, Chinese, Burmese, Sinhalese and Tibetan languages and their literature. With a very rich library, a grand meditation centre, a serene campus, the School promises a very productive academic engagement and practice of Buddhist techniques of Vipassana meditation under qualified supervision. In addition to the above, the School provides an ideal forum for cross-cultural and international dialogues, with regular sessions with scholars, conventions, symposia, seminars, conferences, lecture series, etc. It is open to academic collaborations, joint research programmes and faculty & student exchange programmes with academic institutions of repute dedicated to Buddhist Studies. In these programmes not only Indian but foreign students are also enrolled. School is running compulsory courses of "Human Values & Buddhist Ethics" and "Buddhist Moral Values and Contemporary Society" for UG and PG programmes respectively. The School has MoU with Dhammachai International Research Institute, based in New Zealand, MoU with MIMC, Leh, and many more MoUs with institutions of repute in South Korea, Taiwan, Vietnam, Myanmar, Thailand, Sri Lanka etc. are in progress and will take their final shape in near future.

3.8 SCHOOL OF LAW, JUSTICE & GOVERNANCE (SoLJ&G)
[B.A. LL.B.; LL.M.; and PG Diploma]

School of Law, Justice and Governance, being integral part of Gautam Buddha University, has been operational since 2011 with its core objective to promote teaching, learning, research and innovation in the fields of law and governance. In pursuit of its objective, the School is running three programmes in the Department of Law, Justice and Governance: Integrated five year B.A. LL.B. at graduation level; LL.M. at Post Graduation level; and Ph.D. in the diverse fields of Law. The ongoing B.A. LL.B programme of the School attempts to strike a right balance between the compulsory subjects prescribed by the Bar Council of India (BCI) along with the subjects enhancing their employability skills, and also increases their prospects in legal field.

Moreover, the School aims to set the fine balance between the theoretical knowledge with practical learning and development of skills and professional attitude through clinical legal education. The students are guided to participate in moot-

court practice, debate, essay writing and project work to instill in them the confidence to take up the challenges of their future career more prolifically and proficiently. The Post Graduate LL.M. programme, which started in 2017, is directed towards more advanced legal studies by following directives of the University Grant Commission (UGC) and necessity of promoting high standard disciplinary knowledge among students. Considering the demand of the students and to stop best legal minds to go abroad for pursuing similar programme, the department has started one year LL.M programme in 2019.

Without research and innovation no centre of learning can attain excellence; and therefore, the School envisages endorsing high quality research in the multi disciplinary fields of law and governance. The Ph.D. programme of the School vigorously takes up this noble objective. This academic session department is also planning to start PG Diploma in

Economic and Business laws to provide stakeholders, a deep understanding of how the law and legal decisions may affect the economy. The School currently employs highly motivated and dedicated full-time academicians, who have doctoral degrees in various fields of Law, Social Sciences and Humanities from different nationally and internationally reputed universities/institutions.

The Computer Lab: A computer lab at the School has been set up to have an access to the online journals, including AIR, SCC online web edition Platinum Plus with Heinonline etc.

Moot-Court: The School has moot-court facility to provide a practical experience to the students.

School Library: The School under BCI guidelines has set up its own library with access to online and offline (hard-bound) study materials.

The Legal Aid Centre: The School under BCI mandate has set up the Legal Aid Centre to provide free legal aid to the marginalized section of the society.

4.2 Fee Structure For Foreign Nationals

The fee structure shall be decided or may be revised by the competent authority of the University from time to time. **Academic Fee and Hostel Fees are same for the Foreign Nationals from SAARC and ASEAN Nations and India Nationals. In addition to the above academic fees as mentioned in Table 4.1.**

A separate Registration fee will be charged from International Students which is as under:

i. **Foreign Nationals of SAARC and ASEAN Countries: One time registration fee of US $ 500** (or equivalent in Indian Currency as per the prevailing exchange rate) for Non-Technical and/or Non-Professional Programmes of all the Schools, as the case may be. Whereas, US $ 1000 (or equivalent in Indian Currency as per the prevailing rate) for Technical and/or Professional Programmes of all the Schools, as the case may be.

ii. **International Students of other than SAARC and ASEAN Countries: One time registration fee of US $ 700** (or equivalent in Indian Currency as per the prevailing exchange rate) for Non-Technical and/or Non-Professional Programmes of all the Schools, as the case may be. Whereas, US $ 1500 (or equivalent in Indian Currency as per the prevailing exchange rate) for Technical and/or Professional Programmes of all the Schools, as the case may be.

iii. **One time registration fee of US $ 200** for Diploma/Certificate programmes from Foreign Nationals of SAARC and ASEAN Countries and US $ 400 for Diploma/Certificate programmes from foreign nationals of other than SAARC and ASEAN Countries.

4.3 In Addition To The Above Fee (Mentioned at 4.1 and 4.2):

- **Hostel Charges per Academic Year:**
  Rs. 40,000/- Per Annum per candidate for Single Seated Room
  Rs. 30,000/- Per Annum per candidate for Triple Seated Room

- **Mess Charges per Academic Year:**
  Rs. 30,000/- Per Annum or as per actual, whichever is higher.

  Note:

1. Academic Fee will be charged semester-wise.
2. Relaxation to SC/ST candidates in the fee is as per UP govt. norms/rules.
3. **Registration fee is onetime non-refundable fee, and not a part of academic fee.** It will be compulsory for all Courses /Programmes. This is not refundable.
4. In case, newly admitted candidate apply for change or switchover to another programme, he/she may not have to deposit registration fee again. However, this flexibility of adjustment of registration fee is permissible for only one time.
5. Security Fee (Caution Money) of **Rupees Ten Thousand only** will be charged for all Programmes. This is refundable after submission of no dues certificate from all Departments through School's Dean. **Security Fee (Caution Money) is not applicable to Foreign/International Students.**
6. The **First Year Students** will be allotted **Triple Seated** accommodation till the availability of the same. Thereafter single seated rooms may be allotted **subject to the availability** of such accommodation in the university hostel. In case of non-availability of both **Triple seated and single seated** rooms, student shall have to reside outside the University campus till the room(s) for allotment are available. However, as and when the room/s is/are available, students will have to shift in the hostel accommodation of the University. The university is residential university, wherein its Act prescribes for residing in the hostel. So the students shall have to stay in the hostel by paying the hostel & mess fees.
7. Hostel exemption would not ordinarily be allowed. Only in exceptional circumstances can it be allowed on case to case basis by the competent authority. However exemption will be granted for married students or having any cronic ailment requiring regular therapy with ongoing hospitalization, continuously or intermittently. During the internship of the student exemption to be given for mess charges only, when student is ongoing for internship outside of the campus.
8. Fee would be liable to change from time to time, as determined by the Fee Review Committee.

5.0 POLICY FOR REFUND OF FEE:

Voluntary Withdrawal from the Programme:

1. Academic fee shall be refunded in case of withdrawal of admission from the programme of study in which he/she is enrolled as per UGC norms.
2. Security deposit, which are not part of the fee chargeable shall be refunded in full.
3. Once the hostel is allotted then hostel fee for the semester shall not be refunded in case of withdrawal of admission.
4. Mess fee shall be refunded to all the students on pro rata basis.
5. The last date of seeking admissions, as communicated in the provisional admission letter shall be treated as the final date of admission.

6.0 RESERVATION/RELAXATION POLICY

- The reservation and relaxation policy as per Uttar Pradesh Government and Gautam Buddha University rules.
- The sports person providing evidence of participation in National / International level events may be provided 5% relaxation in respective qualifying examination.

7.0 GENERAL INSTRUCTIONS:

- **Gautam Buddha University – Entrance Test (GBU-ET 2020-21)** will be a **Computer Based Test** (CBT). It is conducted for the admissions in Undergraduate, Postgraduate and Doctoral programmes for the academic session 2020-21.
- **The Number of seats in all the programmes may be increased or decreased.**
- Qualifying exam only from Government recognized National/ International bodies/National level board(s)/State level board (s) shall be considered for admission in various programmes of the University.
- **A separate Application Form has to be filled by the candidate for each programme(s).**
- The entrance test will be common for all B.Tech., Integrated B.Tech-M.Tech (CSE and ECE) and Integrated B.Tech-M.Tech (Biotech.)/ MBA programmes in SoE, SoICT, SoVSAS & SoBT as per the eligibility criteria applicable to a particular branch/ programme. The branch/programme allocation will be based on the choices filled by the candidates during the online counselling as per merit, subject to meeting the desired eligibility criteria and provided that he/she has applied for the same as per applicable GBU norms.
- Students may be considered for branch upgradation after completion of first year of 4-year degree programme subject to availability of vacant seats.
- The entrance test will be common for all PG programmes of **SoM**. The programme will be allotted according to the candidate's choices filled at the time of online counselling. Separate merit list will be prepared for each programme.
- The entrance test will be common for all M.Sc. programmes of **SoVSAS**. The programme will be allotted according to the candidate's choices filled at the time of online counselling. Separate merit list will be prepared for each programme.
- The entrance test will be common for all M.Sc. programmes of **SoBT**. The programme will be allotted according to the candidate's choices filled at the time of online counselling. Separate merit list will be prepared for each programme.
- The combinations (PCM/PM & CS) for B.Sc. (Physical Sciences) will be offered at the time of online counselling. Separate merit list will be prepared for each combination.
- In case of M.Tech. **(CSE, ECE & EE)** programmes,

specialization will be given at the time of online counselling as per merit. Programme will be allotted according to the candidate's choices filled at the time of online counselling. Separate merit list will be prepared for each programme.

- Admission through valid Test Score of other National Level Tests will be applicable only in case of seats lying vacant after GBU Entrance Test and counselling sessions. Thereafter, vacant seats may be filled by any National level Test Score or through direct mode (on merit basis).
- It is the sole responsibility of the candidates to ensure that the test score(s) viz. Valid CAT/MAT/CMAT/GMAT/XAT/CLAT (PG)/GATE through which he/she is applying for admission to a particular programme is valid. The submission of application form does not guarantee the fulfilment of eligibility for that programme. **In case of any ambiguity about the validity of test score(s), the candidates may choose to apply through entrance test on or before 25th April, 2020, as applicable.**
- A self attested copy of valid score(s), as applicable, will be required at the time of interview/counselling for admission. The admission in the programme shall be provisional until the candidate furnishes all the required documents, fee and testimonials, etc. including final result of the qualifying examination. The University reserves the right to cancel the admission of student(s) at any point of time if there is any discrepancy found in the eligibility of his/her candidature as per eligibility criteria laid down in the Admission Brochure 2020-21.
- The candidate appearing in qualifying examination may also apply. However, the candidate should have completed all the requirements (theory/practical and viva- voce etc.) of the award of qualifying examination and submit the final result of the qualifying examination **latest by 30th September 2020,** and meet the eligibility criteria as laid down in the Admission Brochure 2020-21. Non-fulfilment of this condition will automatically **result in the cancellation of the provisional admission. Result awaiting candidates should not have any back papers in previous years.** Such candidates may take admission solely on their own risk.
- The Minimum number of students to run any programme is atleast 15 (Fifteen) or 50% of number of seats advertised, whichever is lower. However, the Competent Authority of the University will take the final decision in this regard. The Counselling/Interview schedule will be available on GBU website in due course of time. The Candidates will be solely responsible for not reporting on the scheduled counselling/ Interview date and time.

7.1 For Candidates of M.Phil./Ph.D.

- Abbreviations: FT-Full Time, WP- Working Professional.
- Ph.D. applicants must be required to submit a Research Proposal in approx. 1500 words as per the given area of research. In the title page of the Ph.D. proposal, the discipline and the mode of admission (Full Time/Working professional) should be specified. They may also submit the list of publications or other research credentials, if any.
- The candidate appearing in qualifying examination may also apply, however, M.Phil./Ph.D. students will be required to produce the proof of having acquired the minimum prescribed qualifications at the time of interview.
- University recognizes CA & CS qualifications (along with graduation degree) as equivalent to post graduation for the

purpose of admission into Ph.D. programme in relevant area in the School of Management.

- The Entrance Test for M.Phil/Ph.D. Programmes shall be qualifying with qualifying marks as 50% for candidates belonging to General and OBC category (45 % for SC/ST) as per UGC Guidelines.
- The Entrance Test shall be qualifying with qualifying marks as 50%. The syllabus of the Entrance Test shall consist of 50% of research methodology and 50% shall be subject specific. For the detailed syllabi of the PhD entrance test exam of Subject Awareness and Research Methodology, candidates are advised to visit admission link available on the university website (www.gbu.ac.in).
- **A weightage of 70% to the entrance test and 30% to the performance in the interview/viva voce shall be given for selection of candidates in M.Phil./Ph.D. Programmes (except M.Phil. in Clinical Psychology). The criteria for admission to M.Phil.(Clinical Psychology) programme shall be as per RCI norms.**

Specific requirement for candidates of Working Professional (WP)

- The candidate(s) is/are required to possess two years of teaching and/or research experience from National Institutes of higher learning/Universities/Central Laboratories or two years experience from Industry/R&D of an industry at an appropriate level.
The candidate(s) is/are also required to produce a **letter of consent** from his/her organization, **for providing sufficient facilities and time for completing the course work and conducting the research,** at the time of interview foradmission.
- The candidate(s) is/are required to complete their course work in class-room mode during first year.

8.0 CENTRES FOR ENTRANCE TEST GBU-ET 2020-21 (CBT)

Candidates are required to opt for maximum three centres as their preferred choice centre for entrance test. In case of not having desired number of candidates in any of the opted Centres, the University shall reserve the right to allocate any one of the opted Test Centre by the candidate irrespective of the preference indicated by him/her on the Application Form without assigning any reason.

9.0 ONLINE APPLICATION PROCEDURE

- Online submission: On-line application form and admission brochure is available on the University website:www.gbu.ac.in.
- Application fee is to be paid through Credit Card/Debit Card/ Net Banking/UPI.

- Candidates are advised to read the Admission Brochure carefully, check their eligibility and applicable reservation category etc. before filling and submitting the application form. The application forms shall be available in the online mode only from the University Website: http://www.gbu.ac.in. Applicants are advised to go through the demo video to fill the form.
- The applicants are advised that they must keep the details of **their login-id and the password secure and safe as the form** filling as well as admit cards shall be made available through the online mode only.

- The incomplete/wrongly filled online application forms shall be rejected.
- It is the responsibility of the candidates to ascertain whether he /she possesses the requisite eligibility and qualifications for admission. Applying for a particular entrance test, appearing for the written examination and qualifying the same does not necessarily mean acceptance of eligibility.
- All applicants will get all information through the University website (www.gbu.ac.in). A candidate would be responsible for not visiting GBU website for required details.
- All the communication will be done through E-mail ID and phone number given at the time of registration. Its advised to all applicants to remember their E-mail ID and phone number for any communication regarding admission.
- Grievance(s) about Entrance Test: If any grievance(s) is raised pertaining to any question(s) by any examinee within

24 hrs of the test, it would be referred to the grievance committee. The grievance committee may keep the question as such, or may delete any question in consultation with the relevant subject expert. In every case, the decision of grievance committee shall be binding upon all.

- The result of admission declared for various programmes by the University shall be final and binding upon the candidates. Any plea that a candidate failed to receive in-person inform- ation for appearing in GBU-ET 2020-21 and/or counselling/ interview for direct mode/any other programmes will not be accepted as a ground for the refund of fee or any other redressal.
- The University accepts the prescribed fee only. A candidate is required to contact his/her own banker for the refund of the fee payment which is debited in excess during the online transaction. The University would not entertain the queries related to refund of application fee which is not credited in University's accounts.
- Practice Videos for Computer based test will be uploaded on GBU admission portal in due course of time.
- Download the fee receipt after successful submission of application form and payment. Application form fee is to be paid through Credit Card/Debit Card/Net Banking/UPI and application form fee once paid is NON-Refundable in any circumstances.
- The candidate must download their admit card from the University website from 11 May, 2020 onwards and carry the admit card to the entrance examination centre with two passport size photographs, similar to that uploaded/pasted on the application form and an identity proof.
- Issuance of admit card doesn't ensure the eligibility of the candidate for admission in any programme.

DISCLAIMER:

- Gautam Buddha University reserves the rights to cancel admission of student(s) at any point of time without any notice, if there is any discrepancy found in the eligibility of his/her candidature(s).
- The admission brochure is prepared with due diligence. How ever, the final source of the rules would be the Act, Statutes, Ordinance and other rules & regulations of the Gautam Buddha University and its interpretation power would vest in the Competent Authority of the University, whose decision shall be final.
